Ultrasound ♦ Mammography ♦ Patient Monitoring ♦ Bone Densitometry

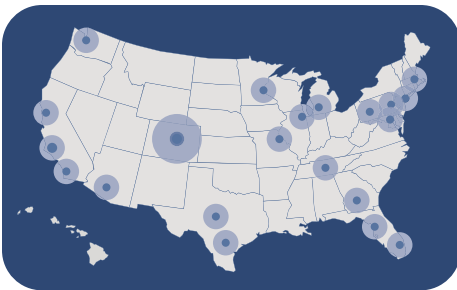

Field Service

"We have had all of our ultrasound equipment under service contract with Echoserve since March 15, 2006. Echoserve's experienced field service technicians have given us outstanding service for all of our needs in a timely manner. This kind of customer service is rare in any company today. I highly recommend Echoserve."

*Barbara N.
Office Manager
Rocky Mountain OB/GYN*

Ultrasound, Mammography and Bone Densitometry
