**April 30, 2009**

**GOLDEN, COLORADO** – Echoserve, Inc. continues to augment its nationwide ultrasound and mammography service group with new hires in Illinois, Florida, Washington, Arizona and Colorado. All of the new Echoserve service hires joined the company within the past 90 days and the company plans on adding several more service positions throughout 2009.

“We are proud to continue the growth of our service footprint, particularly during these challenging economic times,” said Christopher M. Cone, Chief Executive Officer of Echoserve. “Now, more than ever, our customers recognize the value of professional, cost-effective maintenance for their imaging equipment and these added resources allow Echoserve to better serve their needs.”
